FEEL CONFIDENT IN YOUR FUTURE.

THE ACADEMIES BY HARVARD STUDENT AGENCIES

ACADEMIES.HSA.NET

**ENGAGE.
DISCOVER.
CREATE.**

The Academies are designed with students in mind. In order to ease the anxiety surrounding the transition to college and careers, we offer pre-professional programs in Business, Coding, Government, and Pre-Med all entirely taught by Harvard undergraduate instructors. Alongside an elite curriculum and hands-on experience, The Academies by Harvard Student Agencies are uniquely positioned to foster relationships between you and Harvard undergraduate mentors.

CHOOSE YOUR OWN PATH

BUSINESS Entrepreneurship,
Pitches, Market Research

POLITICS Policy, International
Relations, Governance

PRE-MED Genetics, Viruses,
Medical Chemistry

CODING Python, Inheritance,
APIs, Error Handling

"The instructors are amazing, honestly one of the best parts of the program!! So easy to talk to, and so willing to help!"

"Business has always intrigued me but after taking this course I feel more confident that this is what I want to do in the future."

"It was an incredible experience... if that is what class is like in HBS everyday, I would want to attend!"
